

# ASUS MD100 Portable Silent Wireless Mouse

Colorful, safe and easy to carry.

- Magnetic top cover: Quick-switch aesthetics to match your mood or environment, with two case colors included.
- Lightweight design: Sleek design that weighs less than 100 g.
- Quick-release carry strap: Durable finger strap pops out for safe, easy transport
- ASUS BacGuard: Protective coating that's been scientifically shown to inhibit the growth of bacteria by over 99% over a 24-hour period.
- Near-silent operation: Quiet-click buttons produce less than 20 dB of noise for undisturbed work or study.
- Exceptional durability: 10-million-click buttons engineered to last more than 3X longer than those of traditional mice.
- Adjustable DPI: 800, 1000 and 1600 accuracy settings for seamless control across different different resolutions.
- Dual-mode connectivity: Wireless technology supports both 2.4 GHz and Bluetooth for a variety of usage scenarios.
- Battery-saving technology: Prolongs the battery life, allowing for up to six months of keyboard use or a whole year for the mouse.
- 100% PTFE feet: Gaming-grade materials ensures smooth, low-friction glides across any flat surface.
- Subtle colorways: Selection of attractive shades from dark to light pastels provide the perfect complement to ASUS VivoBook and ZenBook, or any other modern laptop.

## Colors

1. Quiet Blue: Ideal for professional environments, with Solar Blue cover also included.
2. LiLac Mist Purple: Ideal for modern lifestyles, with Brave Green cover also included.
