HP UNIVERSAL INSTANT-DRY
SEMI-GLOSS PHOTO PAPER

Get attention with your images. With improved HP Universal Instant-dry Semi-gloss Photo Paper, enjoy even higher image quality. See deeper blacks and more vivid colors. And as always, enjoy instant-dry performance and durable, long-lasting prints.

Deliver excellent image quality

Produce excellent results with this economical photo paper. Improved HP Universal Instant-dry Semi-gloss Photo Paper delivers excellent image quality for attention-getting photos and display graphics—from posters and presentations to retail graphics.

Save time and money with instant-dry prints

Save time, streamline your workflow, and increase your productivity. Prints dry instantly for immediate handling and lamination. Jumbo rolls enable unattended printing. Enjoy the easy, trouble-free printing you expect from HP.

Gain versatility and durable, long-lasting prints

Count on durable, long-lasting prints. You get great results for indoor display graphics, whether you're printing with HP dye- or pigment-based inks. And you get exceptional print permanence, whether in-window[1] or away from direct sun.[2]

Applications

- Trade show and event displays
- Posters and presentations
- POP and retail displays
- Photo enlargements
- Art reproductions
- Geographic Information Systems (GIS)

Benefits

- Better image quality with Original HP dye- and pigment-based inks (wider color gamut for more vivid color, and deeper blacks)
- Improved semi-gloss texture
- Durable prints for easier media handling
- Long-lasting prints (over 200 years indoors, away from direct sun;[2] in-window—up to 6 months unlaminated[1])
- Longer periods of unattended printing with jumbo 61 m (200 ft) rolls
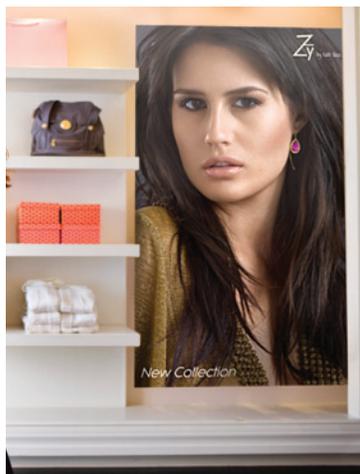

The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to ensure reliable, consistent results with every print.
