

EPL-N2550

Experience the compact A3 mono laser that is built in a space-saving A4 size. Fast, dependable and straightforward to use.

The Epson EPL-N2550 is the fast, reliable and easy to use printer that's ideal for small workgroups. Fast reactions from 'sleep' mode saves time, but also means there's no need to stay in 'standby', which saves money. It's also easy to maintain and time-saving thanks to the large toner and paper capacities. And has the highest default memory in its class.

KEY FEATURES

- High print speeds of up to 30 ppm, with Epson quick fuser technology fixing toner to paper fast
- First page out time of just 8.2 seconds from ready, 12 seconds from 'sleep' mode
- Compact and quiet enough to fit into a small workspace
- Handle large job sizes – with 64Mb of Epson's Memory Improvement Technology
- Epson1200RIT (Resolution Improvement Technology) gives sharper text and smoother greys

TONER CARTRIDGE COLLECTION PROGRAM

This free service helps us to collect and recycle used Epson toner cartridges in a safe and environmentally-friendly way. There are three easy ways to dispose of your empty cartridges and take an action role in reducing waste:

- Put them in a toner cartridge collection box which will be picked up once full
- Return them free of charge by Post
- Drop them off at an Epson Express Center. Please visit www.epson.com/recycle for more details about the program.
