

Galaxy Tab S4 Book Cover Keyboard

Stylishly efficient

Start typing in a flash. With its sophisticated texture design and intuitive POGO pin connectors to simplify setup and speed up usage time the Galaxy Tab S4 Book Cover Keyboard is equally practical as it is pleasing to the eye.

Unlock the full potential

With the Book Cover Keyboard, you can elevate your productivity with a brand new DeX mode. Apps can be opened in multiple separate and resizable windows letting you do even more with the power of the Galaxy Tab S4.

Type confidently

Manage your workflow with better proficiency. The Galaxy Tab S4 Book Cover keyboard features a sensible, user-friendly key placement with longer pitch and stroke to significantly improve overall accuracy and boost productivity.

Store your S Pen

Your S Pen is always right where you need it with the built-in pen holder attached to your keyboard cover.
